## Painter's Platform

The Painter's Platform is designed with hard working painters and decorators in mind. It offers a practical and safe alternative to step ladders. The 600mm x 475mm platform can be quickly set for height from 750mm to 1350mm to put you in the perfect position.

Uneven ground? No problem - each leg adjusts individually.

Painter's Platform complies with the Work at Height regulations and has a safe working load of 150kg.

- Available in two height options
- Model PP1350 (750mm to 1350mm) and model PP1950 (1650mm to 1950mm)
- Platform height infinitely adjustable over 600mm
- Easy to carry at just 12.5kg and 16kg respectively
- Extremely stable
- Floor-friendly, swivelling plastic feet
- Guard rail fitted
- Easy to use - unfolds like a step ladder
- Folds flat to fit in a small van or estate car
