Skymaster

The original and still the best! The trade 3-Part Skymaster is six ladders in one! There are 5 sizes to choose from. It can be used free-standing as shown in the opposite picture, as a trestle step, single, double or triple extension ladder, stairway ladder or work platform (when accessories are purchased).

This is probably the only ladder you'll ever need.

- Six ladders in one
- The best selling combination ladder ever
- Many safety features
- GRP version available
- Five popular sizes
- Total flexibility
- Safe to use on steps and stairs
- All safety features fitted as standard

Please see the product table below for all models and sizes.
