Ladder Staging System

Designed to provide a high level work platform, erected in just 6 minutes - meeting HSE approval when used in conjunction with the Ankalad ladder stabilisers.

- Very strong aluminium construction
- Simple to use
- Low cost
- 270kg load rating (evenly distributed)
- Available in 600mm and 900mm (2 x 450mm) widths
- Complies with the requirements of BS1139 Part 5/HD1000
- Lightweight aluminium staging board

The system can be extended over three ladders or more using additional components.

Third Ladder Bracket
