## Vision 360 Extra Wide Platform Steps

(Designed to comply with the New Working at Height Regulations)

Manufactured from distinctive yellow 85mm x 31mm stile channel and 45mm x 35mm back leg channel the Vision 360 steps incorporate a platform 400mm wide and 550mm long which folds away in place of the top two treads when not in use. The platform locks into position and will support one person with a hand hold facility. The high specification makes this suitable for all trades. The steps are Insulated and non-conductive.

- 360 degree working platform – 550mm x 400mm
- Enclosed platform on 3 sides for safety
- Glass fibre frame with aluminium treads
- Insulated and non-conductive whilst in use
- Ergonomically designed for industrial work
- Working At Height Regs 2005 compliant to work two-handed for short duration jobs
